Heading north on I35E, take the Tollway North Exit and exit number 429D. Merge onto Dallas North Tollway and travel just over 8 miles. Take the Harvest Hill Road exit and turn right on Harvest Hill Road. Our office is in the first building to your right, in Suite 100. You need to enter the entrance facing the Tollway and we are the first suite on the left.

There is an entrance into our parking lot to the right as soon as you exit the Tollway, before you get to the light at Harvest Hill. If you miss that then you can turn right on Harvest Hill and into our parking lot.
